**“REPLACEMENT SHEET”**

12/45

**FIG. 12**

The interface is enclosed in a rectangular frame. On the left, a list box contains three items: "Guest", "Jam", and "staff", each followed by a horizontal dashed line. Below the list box is a hand cursor icon and the text "SELECT ITEM". To the right of the list box are two square buttons: the top one contains an upward-pointing triangle, and the bottom one contains a downward-pointing triangle. Between these two buttons is the text "1/1". Below the downward arrow button is the text "MANAGEMENT" and a small square button with a right-pointing arrow. At the bottom right of the frame is a rounded rectangular button labeled "LOG ON".

**“REPLACEMENT SHEET”**

13/45

**FIG. 13**

The interface is enclosed in a rectangular frame. On the left, a list box contains several items separated by horizontal dashed lines. The first item, 'Guest', is highlighted with a diagonal hatching pattern. Below it are 'Jam' and 'staff'. To the right of the list box are two square buttons: the top one contains an upward-pointing triangle, and the bottom one contains a downward-pointing triangle. Between these buttons is the text '1/1'. Below the list box, the text 'SELECT ITEM' is displayed next to a cursor icon (a hand with the index finger pointing). To the right of the list box, the word 'MANAGEMENT' is written in two lines, with a square button containing a right-pointing arrow below it. At the bottom right of the frame is a rounded rectangular button labeled 'LOG ON'.

The image shows a graphical user interface window titled "SELECT SCAN TYPE". The window has a title bar with the text "[Guest]". Inside the window, there are two buttons: "SINGLE SIDE" and "BOTH SIDES". The "SINGLE SIDE" button is highlighted with diagonal hatching. Below these buttons, there are two buttons: "CANCEL" and "OK". The "OK" button has a small arrow icon next to it. The window is surrounded by a border with several small icons on the left and right sides. At the bottom of the window, there are two buttons: "LOG OFF" and "SCAN".

The figure shows a graphical user interface window titled "INPUT NEW DESTINATION". The window has a title bar with the text "[Guest]". Inside the window, there are two input fields. The first field is labeled "DISPLAY NAME" and has a small right-pointing arrow next to it. The second field is labeled "PATH" and also has a small right-pointing arrow next to it. Below these fields, there are two buttons: "CANCEL" on the left and "OK" on the right. The "OK" button has a small right-pointing arrow next to it. The window is overlaid on a background that shows parts of other windows, including one labeled "LOG OFF" and another labeled "SCAN".

The figure shows a graphical user interface window titled "INPUT NEW DESTINATION". The window has a title bar with the text "[Guest]". Inside the window, there are two input fields: "DISPLAY NAME" and "MAIL ADDRESS", each with a small right-pointing arrow icon next to it. Below these fields is a checkbox labeled "READ DESTINATION LIST". At the bottom of the window, there are two buttons: "CANCEL" and "OK". The "OK" button has a small right-pointing arrow icon next to it. The window is overlaid on a background that shows parts of other windows, including one with the text "LOG ON" and another with the text "SCAN".

The figure shows a graphical user interface for a "REPLACEMENT SHEET". At the top, it says "FILE NAME" above a text input field. To the right of the input field is a button labeled "ENGLISH". Below the input field is a row of navigation buttons: a left arrow, a right arrow, "BACKSPACE", and "INPUT MODE". Below these are three rows of alphanumeric keys: the first row contains numbers 1-0; the second row contains letters q-p and a hyphen; the third row contains letters a-l and an at-sign. Below the alphanumeric keys is a row of keys: z, x, c, v, b, n, m, a period/slash, and an underscore. Below this row are two buttons: "SPACE" and "SHIFT". At the bottom of the interface are two large buttons: "CANCEL" on the left and "OK" on the right, which includes a small icon of a hand pointing at a screen.

**“REPLACEMENT SHEET”**

35/45

**FIG. 35**

The figure shows a graphical user interface window titled "INPUT MAIL TEXT". The window has a title bar with the text "[Guest]". Inside the window, there are two input fields: "SUBJECT" and "TEXT". The "SUBJECT" field is a single-line text box, and the "TEXT" field is a multi-line text box. To the right of the "SUBJECT" field is a small rectangular button. Below the "TEXT" field is a large rectangular button. At the bottom right of the window is a "CLOSE" button with a small arrow icon. At the bottom left of the window is a "LOG OFF" button. At the bottom right of the window is a "SCAN" button. The window has a standard Windows-style border with a title bar and a menu bar.
